THE LOUGHBOROUGH AND DISTRICT HOSPITAL

1938

The one hundred and twentieth annual report and accounts

THE LOUGHBOROUGH AND DISTRICT GENERAL HOSPITAL

The one hundred and twentieth annual report and accounts for the year ending Dec. 31st, 1938

NEW AND INCREASED SUBSCRIPTIONS ARE URGENTLY NEEDED.

The Secretary will deem it a favour if present subscribers will help him by sending the names and addresses of others whom they think likely to be interested in the work of the Hospital, and to contribute to its funds. He will also be pleased to arrange appointments for subscribers, authorised representatives of Employees, and other friends to inspect the Institution and see the volume of work carried out.

If desired, further copies of this report and any desired particulars, will be gladly supplied upon application to the Secretary.

Report of the General Committee

The Committee have pleasure in submitting their 120th Annual Report together with a statement of the receipts and expenditure for the year ending 31st December, 1938.

During the year every department of the Hospital has been fully engaged and the increase in work has caused a severe strain on the Matron and her staff, and this the Committee fully realise. The difficulty of obtaining a fully trained staff has caused considerable anxiety and the help of temporary nurses has been necessary to cope with the work and to enable the various services to be efficiently carried out. This difficulty is widespread both in London and the Provinces and is engaging the attention of Parliament.

During the year 1,451 patients were admitted to the wards against 1,271 last year, and the total bed occupancy advanced from 24,537 to 26,594. The massage department has dealt with 422 cases and given 9,729 treatments. In addition there were 70 cases for sunlight treatment, 1,691 treatments being given. The new Ear Nose and Throat clinic which was equipped during the year has done much useful work, 249 cases were dealt with and the clinic attendances reached a total of 819.

The number of major operations carried out by the Honorary Staff during the year numbered 434 and in addition over 500 minor operations were performed. The X-ray department also dealt with a record number of patients, over 1,880 cases were examined and nearly 4,000 films were used. The maternity department has proved a great success and the number of cases treated fully proves the popularity of this new venture; 155 patients were admitted during the year either through the Town Medical service or as private patients.

No one can read the above statistics without realising the great increase in the Hospital service which is being given to the Town and District, and this must mean a corresponding increase in the expenditure, though happily the income during the year has also increased in ratio.

In this connection the accounts will prove interesting reading and should be carefully studied. The expenditure during the year has risen from a total of £9,704 14s. 5d. to £11,129 13s. 3d., an increase of over £1,450, whilst the income actually received during the year has risen from £9,885 to £12,568. After setting aside a sum of £1,240 towards the cost of the new X-ray equipment (referred to later in this report) it is very gratifying to be able to report that the bank overdraft has been further reduced, even though such reduction is only a small one.

Unfortunately the Committee have been faced with a serious problem during the year. The X-ray apparatus was undoubtedly becoming obsolescent, owing to the considerable improvements in

Report of the General Committee continued

radiology during recent years, and they had two alternatives to consider, either to attempt to bring the existing apparatus up to date, or to take the bold course of entirely scrapping the existing plant and furnish an entirely new one. After the most careful consideration and enquiry, the Committee decided to adopt the latter course and a new and up todate plant has now been ordered from Messrs. Newton & Wright Limited of Finchley, at a total cost of £1,265. While considering the provision of the new unit the Committee reviewed the present and future requirements of the department, especially in view of the importance and increasing amount of the work, and it has accordingly been decided to utilise the present board room for the purposes of the department and plans have been prepared for the necessary alterations. It is hoped that the alterations and the installation of the new plant will take place early in March. In addition to the main X-ray plant a mobile unit is also being provided at a cost of £325, and this will prove a great boon to the patients as well as a great help to the staff, as in necessary cases the patients can be X-rayed in their beds instead of having to be removed to the X-ray room. Gifts towards the purchase of the mobile unit have been made by Lloyds Bank Limited, the Executors of J. H. Stevens, deceased, of £100, Mrs. C. Lee of f,20, Sir Julien Cahn of f,50, and by J. A. Hartopp, Esq. of f,15, for which the Committee tender their grateful thanks.

The Committee have also purchased an entirely new and up-to-date Operating Table with the necessary accessories for the Theatre at a cost of £125, and a new anæsthetic outfit at a cost of £70. The present table is being transferred to the Outpatient Department where certain minor operations will be performed, and so relieve the work in the main theatre. The thanks of the Committee are due to the Honorary Surgical Staff and Radiologist for their technical assistance in these important matters.

A further large expense has had to be faced as the ironing machine in the laundry was beyond repair and a new one has been installed at a cost of £264. This expense has been met out of depreciation account.

Further improvements consist of a new switchtable in the Massage Department at a cost of £40, and a scrubbing machine at a cost of £65. Additions have been made to the Ante Natal clinic by the provision of cubicles and furniture at a cost of £240.

From the above it will be seen that the Committee are making every effort to keep up to date, and where possible improve the services of the Hospital for the benefit of those who may from time to time require treatment.

The Crisis in September last caused not a little anxiety and much work and expense. Fortunately the trouble passed over but

Report of the General Committee continued

the Committee are mindful of the future and a sub-committee has been formed to collaborate with the Medical staff, Dr. Holderness and the local A.R.P. Committee.

The resignation of the Rev. E. A. Martin as a Chaplain of the Hospital was received with great regret and the Committee have appointed the Rev. F. Vernon Moss to succeed him. Sincere thanks are tendered to the Chaplains for the services they give to the patients which are much appreciated.

The Committee acknowledge with grateful thanks the following bequests:—

A house in Burton Street (subject to a life interest which has been surrendered) under the Will of the late W. H. B. Garton, deceased. The benefit received by the Hospital in the proceeds of sale, less duties, amounting to over £300. £100 under the Will of the late A. B. Proudman, Esq., deceased.

£100 under the Will of the late C. T. Parker, Esq., deceased. £10 under the Will of the late Mrs. Jane Burrows, deceased.

During the year the Committee have received a grant towards their general expenses of £300 from the Leicestershire Miners' Welfare Committee. This generous gift is most opportune and is sincerely appreciated.

Heartiest congratulations are extended to the Carnival Committee for their most successful effort last September which resulted in a sum of over £1,300 being handed over to the Institution. A wish has been expressed by the Carnival Committee that this sum should be identified with the provision of the New Operating Table, and it gives the Committee the very greatest pleasure in acceding to this request.

Similar congratulations are due to the Contributory Fund Committee for the excellent result of their labours for the past year. A record sum of £5,200 has been paid over to the Hospital, which is £250 more than last year. It is particularly pleasing that this result has veen achieved during the first year of Miss Welch's Secretaryship. The continued success of this Committee is vital to the general interests of the Institution.

The Committee also gratefully acknowledge further gifts of £150 from the Kegworth Hospitals Association, £100 from the Newbold & District Hospital Society, £80 from the Shepshed Carnival Committee, and £270 from the Students of the Loughborough College. The help received from these sources and the interest thus shown in the work of the Institution is greatly appreciated.

An entertainment was provided in September last by Sir Julien Cahn at Stanford Hall for the benefit of the Hospital. There was a

Report of the General Committee continued

large attendance and the evening proved a great success and was most enjoyable. The amount raised by this effort is not yet ascertained and will appear in next year's accounts. The Committee tender to Sir Julien their grateful thanks for his interest and help.

Another very enjoyable event was the Hospital Staff dance held in the Fire Station Hall in January last. Mr. W. H. Purnell generously provided this entertainment which was thoroughly appreciated by the Nursing Staff and their guests.

Drs. R. E. Paterson and M. Franklin left the staff on the termination of their engagements and the Committee have recently appointed Dr. P. Armytage as Senior House Surgeon and Dr. R. P. Baird as Junior House Surgeon in their place.

The Committee are pleased to congratulate Nurses Rowell and Warren on their having passed the Final State Examination and to Nurses Whitehouse, Shilcock, Cousins and Harrison on their having passed the Preliminary State Examination.

The sincere and grateful thanks of the Committee are again tendered to:—

The Ladies of the Linen League for their valuable services and help. The Hon. Surgical Staff, the Hon. Radiologist and the Hon. Dentist for their splendid services so ungrudgingly given and for their kind co-operation and help in all matters affecting the efficiency of the Hospital services.

The Hon. Auditors for their valuable services.

Volunteers for Blood transfusions for their unselfish and courageous

assistance in this important service.

The Matron and her Staff who throughout the year have carried on their duties with devotion, efficiency and a careful consideration for their patients, and—

all others who by their donations, services, gifts and sympathy, have helped in any way to further the interests of the Institution.

Re-equipped with entirely new plant including Mobile Unit at a cost of £1,600

Report of the Linen League

Once more we have much pleasure in presenting our Annual Report which is very satisfactory. This year there are considerably more subscribers, so that, although owing to hard times some of our members have had to decrease their subscriptions, we are able to show an increase of about f12 on last year's balance sheet.

Unfortunately Mrs. Holderness found it necessary to resign the secretaryship which she accepted last year. We are very glad to announce that Mrs. Cope has most kindly consented to become our Secretary—as many of you know, she is the daughter of Mr. Alan Moss, who has always been so interested in the Hospital, and we are most fortunate to have her for our new Secretary.

The needs of the Hospital are still growing, and we would appeal once more for further help for our Linen League which is doing such splendid work.

The Committee would like to thank all members, and very especially the hard working collectors who have been so successful.

LINEN PURCHASED DURING THE YEAR 1938.

4 Collars and Cuffs. 1 piece Huckaback Towelling 4 Caps. 1 piece Druggetting. 6 Aprons.

14 Yards Cretonne.

24 pairs Large Blankets.

Annual Report of Contributory Fund Committee

Ladies and Gentlemen,

The Committee have pleasure in submitting their Fifth Annual Report, together with a statement of Receipts and Expenditure for the

year ending December 31st, 1938.

The year under review showed a further increase in income, and it is gratifying to be able to report that the amount paid over to the Loughborough General Hospital again showed an increase on the

previous year.

The Contributions received during the year from the various Committees amounted to £5,655 17s. 3d., an increase of £288 13s. 5d. on the corresponding figure for 1937, whilst the amount of £5,200 transferred to the Loughborough General Hospital represented an increase of £250 as compared with the payment of 1937.

Five years have passed since the inauguration of the Scheme, and during that period it has collected and distributed no less than £22,402 7s. 11d. The steady increase in the individual subscribers

gives cause for satisfaction.

The contributory plan of Voluntary Hospital Finance depends for its success upon the willing co-operation of all interests concerned, and the remarkable progress of this Fund is attributable largely to the deep sense of appreciation felt by contributors for the care and attention received when illness overtakes them.

The Committee are at all times mindful of the interests of the members and are always ready and anxious to consider any suggestion

which might aid in the furtherance of the scheme.

The Committee desire to record its grateful appreciation of the service rendered to contributory patients during the period now under review.

In November last Mr. F. Staniland and the Secretary were appointed to represent the Committee on behalf of the members at the Annual Conference of the Hospitals Contributory Schemes Associations held at Liverpool. Much useful information was obtained; this Association is doing a great and useful work for contributors.

During the year several parties of Contributory Fund members have visited and inspected the Hospital; the visits are very helpful by bringing the subscribers in closer contact with the Hospital and the

facilities it affords.

The Committee desire to express their appreciation of the services rendered by the Honorary Medical Staff, Matron, House Surgeons and the Nursing Staff, for their devotion to the comfort and well being of the patients; to the Honorary Auditors, Messrs. G. F. Brewill and H. D. Barlow, the Committee desire to express their sincere thanks.

In conclusion, the Committee wish to record its appreciation and thanks to both Town and Village Committees, and in particular the Secretaries. The work of the Fund could not be maintained were it not for the invaluable assistance rendered by countless numbers of people who so willingly assist the Committee in its endeavours to further the extension of the scheme.

C. D. BENTLEY, Chairman. K. M. WELCH, Secretary.
